### **RULES & REGULATIONS**

Games will be played according to the rules of Little League as printed by Williamsport 2019 with the following exceptions.

- 1. All teams are responsible for their own insurance.**
2. Rosters must be turned in by July 1, 2019. No player may be added to a roster after July 1. Maximum number of players on a roster is 14. A player may be listed on one roster only. (An 11 year old listed on the 12 year old roster may not play for the 11 year old team), To avoid a forfeit a player from a lower league may be brought up, but may not pitch. Each lower individual player may be brought up only twice during the season.

3. **Players must be drawn from the spring league in which they played, If a team cannot be formed because of lack of interested players from one league, that team may draw from another league within that town or city upon approval from the league director. Under no circumstances may 'All-Star'--'All-Star' or 'city-wide All-Star teams enter the S.Y.B.L. (this is a competitive but not a win at all cost league).**
4. Every player must play at least two innings defensively and bat once.
5. Home teams will supply umpires and field equipment for the regular season and any playoff game held at home. League will assign and pay umpires as well as supply balls for all other playoff games.
6. Each team will supply one game ball for regular season games. Home team will supply extras as needed.
7. Umpires must be at least 17 years of age for the 10 and 9 year old leagues. Adult umpires (18+ and patched if possible) must be used in the 12 and 11 year old league. This is the key to a smooth league--try to get the best available. Adult patched umpires are used in the playoffs on all levels.
8. Teams in all leagues may use a 9, 10, or full roster batting order. When using a 10 man order the EH (extra hitter) may enter the game defensively and another player may become the EH. When using a full roster order, there is free substitution defensively except for the pitcher. Once the pitcher is removed from that position he/she may not return to the mound.
9. **Player Re-entry Rule: A starter and only a starter may re-enter the game in any spot in the batting order once his substitute has batted once and played two innings defensively (6 outs).**
10. Adult coaches may coach both first and third bases. If a player coaches a base, that player must wear a helmet.
11. **Pitching rule for the regular season: 12 and 11 year old leagues--4 innings maximum per game. 10 and 9 year old leagues--3 innings maximum per game. Innings per week and rest periods are waived. See each league playoff schedule for post-season pitching rules. The SYBL will not use the pitch count rule.**

12. **Use of the curve ball or any breaking ball is forbidden in the A-11, A-10 and A-9 year old leagues as well as all age groups in the 'B' league. (Fast ball and change-up will be the only pitches allowed--knuckleballs are not allowed). Any type pitch will be allowed in the A-12 league.**
13. **All bats must carry the new USA Baseball logo and certification.**
14. Teams will receive 3 points for a win and 1 point for a tie in league standings. Games for record sake may last no longer than six (6) innings. Any games tied after 6 innings will be declared a tie (exception--playoff games).
15. Games with a 10+ run differential will be stopped after four (4) innings (3 ½ innings if home team is ahead). Official game, if stopped by weather is (4) innings (3 ½ if home team is ahead).
16. Any pitcher who hits **three (3)** batters in one game must be removed from that position.
17. **CURFEW:** Umpires must call the game when the conditions become potentially dangerous to the players. The safety of the players must be the first consideration of game officials. NOTE: Each team will assume responsibility for maintaining safe playing conditions at its field at all games.
18. **PROTESTS:** If a situation should arise where the umpire has made an incorrect call on a rules interpretation, a manager must prove that the umpire has made the call incorrectly by pointing out the written rule in black and white (5 minutes to find the rule--games cannot be delayed any longer than that). If the umpire is proven to be incorrect he or she must reverse the call. If the rule cannot be found or is not specific enough, the umpire must defer to his/her judgement and that judgement is final. **There will be no protesting of games. There may be no protests or delay of game on judgement calls whatsoever.**
19. No slashing (fake bunt, then swing--penalty--batter is out).
20. The dropped third strike rule will not be used in the SYBL.
